Montana *independent* Bankers 2017 Convention & Tradeshow HOTEL AND ACTIVITY INFORMATION

July 27-29, 2017 · Great Northern Hotel · Helena, MT

Great Northern Hotel, Helena, MT

The Great Northern Best Western Premier hotel is located in Helena's downtown in the Great Northern Town Center and just minutes away from all attractions the city has to offer. With spacious rooms, a relaxing atmosphere and a downtown location, the Best Western Premier Helena Great Northern Hotel has everything guests need for a wonderful stay.

Reserve your room at the Great Northern by calling **(406) 457-5500** and mentioning "**Montana Independent Bankers**" or registering online through <http://mibonline.org/convention/>. MIB is subsidizing the rooms to give you the great rates of **\$140 to \$160** per night. *All rooms will be released on **June 26, 2017**, so be sure reserve your room before this date.* While other lodging options are available, hotels in Helena fill up quickly in the summer, so book now!

MIB Golf Tournament

Helena's premier golf facility, Green Meadow Country Club, offers 18 holes of golf as well as a sizable practice facility. One of the key features adding to the beauty of the course is the lack of residential development surrounding it. 10-Mile Creek traverses the entire length of the course allowing players to share this space with an abundance of wildlife. Although the Club is only a few minutes from town, you will feel like you're miles away.

Our modified shotgun format makes it possible for any team to win. Every attempt will be made to pair friends on teams, if requested, but teams will be constructed primarily for competitiveness. Contact Joel Rosenberg at jrosenberg@valleybankmt.com for team placement requests. Bring your clubs and a few extra balls and join us for another exciting adventure in golf!

Cost for the 18-hole tourney is \$70 which includes green fees, a golf cart, and boxed lunch. Tee times begin at **11:30 a.m.** on Friday, July 28, 2017.

Gates of the Mountains Boat Tour

Named and made famous by the Lewis & Clark expedition in 1805, the Gates of the Mountains are great towering walls of limestone standing guard over the placid Missouri river. Wildlife of all kinds can be spotted, in addition to Indian pictographs and the site of the Mann Gulch forest fire tragedy. The 120-minute cruise starts at the marina, just off Interstate 15 in the foothills of the Rocky Mountains 15 miles north of Helena. Aboard a comfortable open-air boat (covered in case of rain), you'll glide through magnificent country Meriwether Lewis would still recognize if he could return.

Cost is \$16, and children 17 and under are **\$10**. This fee includes transportation and a boxed lunch. Departure will be **1:30 p.m.** on Friday, July 28, 2017 from the Great Northern Best Western Hotel. The 2-hour boat tour launches at 2:00 p.m.

Federal Reserve Bank Helena Branch Tour

The Federal Reserve Bank of Minneapolis Helena Branch was opened on Feb. 1, 1921. At the time of opening, Helena was the smallest city to have a Federal Reserve bank or branch. Helena Branch directors contribute regional perspectives on economic conditions as part of the Federal Reserve's monitoring of the national economy and the formulation of monetary policy. In addition, the Branch's board of directors serves in an advisory capacity to the management of the Helena Branch.

The Federal Reserve Bank is offering a private tour of their facility to MIB convention attendees. This **free** 30-minute tour will start at **1:30 p.m.** on Friday, July 28, 2017. **NOTE: This is a security-intensive federal facility--your drivers license ID is required for entry, the possessions you bring with you will be scanned, and you will need to submit your name to Laura Welker at least one week before the tour for background checks by the Federal Reserve Bank.**

Registration, attendance, or participation in MIB meetings and other activities constitutes an agreement by the registrant to MIB's use and distribution (both now and in the future) of the registrant's or attendee's image in photographs and electronic reproductions of such events and activities.
