About Alberton Gorge Whitewater Raft Trips by Montana River Guides

Our specialty at Montana River Guides. We're the Gorge's leading outfitter with a riverside shop and headquarters, professional guides and gear running trips every day all summer. The Gorge is the premium whitewater run in Montana with rollicking Class II, III and IV rapids and absolutely stunning canyon scenery. In between rapids you and your guests will enjoy the spectacular surroundings and watch for eagles, osprey, kingfishers, moose, deer, bear and mountain lions. The Gorge is a great family float. Younger kids (ages 6 and up) and older folks can ride in bigger rafts for a milder float while people who want a wilder ride will go in smaller paddle rafts. After running legendary rapids like cliffside, Tumbleweed, and Fang, guests can swim, relax and soak up the sun and scenery.

Cost is \$68, and children 12 and under are **\$49**, box lunch provided by Hilton Garden Inns. Find out more about this rafting adventure, including what to bring and wear, at <https://montanariverguides.com/>
