We hope you will join us for MIB's 51st annual convention! We are one year removed from our 50th anniversary celebration and we are excited about what this convention and the future have to hold for the Association. We will be meeting in beautiful Missoula, Montana this year; and we have arranged for a great lineup of speakers. We will have noted Montana artist Monte Dolack joining us. Monte will be featuring some of his art during the convention. In addition, Brian Dennehy, former Nordstrom CMO, and soon to be featured in the upcoming movie 'Tag' will be our featured speaker.

Your opportunity for exposure to Montana community bankers has never been better. The MIB Convention & Tradeshow, the only community banking convention in Montana, provides the best opportunity for your company to reach Montana's bankers, officers, directors, and staff at one location. Your sponsorship helps greatly to keep convention registration fees at their minimum and gives our attendees the best possible experience. Even if your company is unable to send a representative, you can make your presence known by selecting from the following sponsorship options.
