Dear MIB Member:

Registration for the 2019 MIB Convention & Tradeshow is now open!

Jim Brown
Executive Director

The 2019 MIB Convention & Tradeshow will be held July 25th-27th in Butte. As you can see in the included brochure, we offer the best community banking convention in Montana at the most affordable prices.

Our location this year is superb. The Copper King Inn in Butte not only offers quality accommodations, but its close proximity to all things outdoors also offers unparalleled golfing, and historic adventures, and a variety of other activities in the Southwest Montana area. Bring your whole family for cool Big Sky fun during the hottest part of the summer.

Standouts among our speakers and seminar presenters this year include, world-famous daredevil Evel Knievel's museum owner, Mike Patterson. Listen to the eye-widening, imagination-sparking, and doesn't-seem-possible stories that define an American icon who was born in Butte, Montana. Also, joining us will be ICBA President and CEO Rebeca Romero Rainey. We are also pleased to be joined by perennial favorites Patrick Barkey and Melanie Hall.

A highlight of the MIB convention is Montana's only banking tradeshow. Our associate members love it so much that we habitually sell out exhibit space. Come experience the latest in banking technology and services and discover ways to increase your relevance to your customers. Of course, this tradeshow includes a reception and banquet, where golf and rafting prizes and vendor drawings heighten the fun.

Don't forget the MIB-PAC Silent Auction Reception and Banquet. At this event, you can bid on unique Montana items at amazing prices while supporting MIB's lobbying and public policy efforts. High quality food and drink plus a good cause—it doesn't get much better than this.

If you haven't attended an MIB convention in the past few years, we encourage you to check it out. In doing so, you take advantage of our lowered prices and increased offerings and attend the only banking trade convention held annually in the State of Montana. More information and online registration can be found at <http://www.mibonline.org/convention/>. I look forward to seeing you in Butte in July.

MIB-PAC Silent Auction

Help support community banking in Montana by donating an item to the MIBPAC Silent Auction Reception! This event is MIB's sole means for raising funds for its political action committee. We use this money to support state candidates from both parties who are friendly to community banking, ensuring positive legislation for Montana's banks.

What Can I Donate?

Auction items can be anything! Popular donations include hunting/fishing/outdoor gear, travel/vacation packages, jewelry and accessories, gourmet wine and food packages, electronics, Made-in-Montana goods, and any unique items from your area!

How Do I Donate?

Complete the form included with this packet and return it to MIB. Be sure to indicate whether you intend to mail the item to MIB's office or hand-deliver it to the convention registration booth at Red Lion Kalispell. Don't know what to donate but still want to contribute? You can also send a personal check to be used to defray the cost of the auction. Montana's community banks thank you for your support!

Montana law prohibits corporate donations to PACs. All contributions, including donated items, must be purchased with PERSONAL FUNDS.

Mike Patterson

CEO Evel Knievel Museum, Topeka Kansas

Historic Harley-Davidson and the Patterson family have been in business in Topeka for 70 years. Along with his grandfather Henry Patterson and Uncle Dennis Patterson, the three generations guided the dealership to one of the most awarded Harley-Davidson dealerships in the country.

"Working on a bike for rock 'n' roll legend Jerry Lee Lewis brought us into contact with Lathan McKay, one of the largest Evel Knievel collector in the world".

The Harley-Davidson Motor Company has appointed Mike to multiple committees representing the Harley dealer network. The store has been recognized by industry magazines as a top motorcycle dealer of all brands and even received a cover photo and story for Dealernews magazine devoted to all brands of motorcycles.

Historic Harley-Davidson, under Mike's leadership, has also built a nationwide reputation as the Harley-Davidson dealership for the restoration of vintage motorcycles. This reputation led to the opportunity to restore "Big Red" - Evel Knievel's 1974 Mack truck and trailer. This successful project led Mike to the vision and creation of The Evel Knievel Museum located in Topeka. He has always worked to create a dealership destination for visitors and customers to visit Topeka from across the country. The Evel Knievel Museum has brought that vision to a new level by extending it across the globe.

Since the Evel Knievel Museum's grand opening in July of 2017, the museum has received national attention in newspapers, radio talk shows and television news all over the world. USA Today ranked the museum as a Top 5 new attraction for 2017. The museum received visitors from all 50 states within the first 3 months of opening, most of which had the museum as their primary destination for their trip. It has received outstanding reviews from all media outlets and 5 star average ratings on all attraction reviews sites.
