We hope you will join us for MIB's 53rd annual convention! We are three years removed from our 50th anniversary celebration and we are excited about what this convention and the future have to hold for the Association. We will be meeting in Billings, Montana this year; and we have arranged for a great lineup of speakers.

Your opportunity for exposure to Montana community bankers has never been better. The MIB Convention & Tradeshow, the only community banking convention in Montana, provides the best opportunity for your company to reach Montana's bankers, officers, directors, and staff at one location. Your sponsorship helps greatly to keep convention registration fees at their minimum and gives our attendees the best possible experience. Even if your company is unable to send a representative, you can make your presence known by selecting from the following sponsorship options.
