BRANDON WALTER

First Montana Bank, Bozeman

Brandon serves as the Portfolio Assistant at First Montana Bank in Bozeman.

"Brandon exhibits outstanding community banking values and top-level customer service to both clients and associates," as quoted by Market President Steven King, FMB.

During 2020-2021, PPL Loan Program Brandon took ownership of the program.

While learning the process he remained

calm in assisting the bank clients with the application process, documentation, and forgiveness process. The bank clients appreciated his knowledge of the program and prompt responses to their questions.

Brandon volunteered to train the Helena branch's new Loan Portfolio Assistant helping that office grow quickly.

Brandon volunteers for the Thrive Cap Mentor Program. He meets with local students who struggle with school and home life making an impact on young adult lives. He also volunteers to pick up trash along the rivers and trail system.

Brandon is an excellent choice for the MIB Outstanding Young Banker Award. I look forward to him continuing to make a positive impact on our bank and our community for many years to come. First Montana Bank Market President, Steven King.

In this past year, our restaurants faced pressures we never imagined could exist. We most likely would never have made it without the loans and loan programs that we accessed with Brandon's direct assistance.
