MIB NEWS

THE ONLY BANKING ASSOCIATION IN MONTANA REPRESENTING MONTANA-OWNED COMMUNITY BANKS | DECEMBER 2021

To renew your membership visit <https://mibonline.org/members/>

Thank you for your support and being a valued member of the Montana Independent Bankers Association. We appreciate it and strive to do all

we can to help your bank and every community bank in Montana be more successful. Your support through your dues, participation in training and compliance activities, participation in our PAC, and your bank's use of products and services offered through MIB are what keeps the association vibrant and in the best possible position to support your bank in every way we can.

MIB has only one mission and that is to represent the interests of community banks in Montana and is the state's only advocate working solely for the interests of community banks and your customers. We do not have out-of-state banks as members, nor do we have mega-banks as members, so we never have to take a neutral stance on regulator or

legislative issues that have potential negative impacts on community banks in Montana. MIB is also the only ICBA-affiliated association in Montana.

More information on these benefits can be found on our website, www.mibonline.org/membership/benefits.

While business costs continue to rise, MIB does its best to keep our membership dues affordable and reasonable. That's why MIB's Board has kept our dues amount for 2022 at the same rate as it was in 2021.

This year MIB will celebrate its 55th Anniversary at our annual convention in Whitefish that will be held July 27-29, 2022. We hope you can join us for the celebration.

Thank you for your support of the MIB and the service you provide to Montana's communities and business. We look forward to continuing to watch out for your interests. We stand ready to assist you and your bank in any way we can. You are a valued MIB member.

Sincerely,

Jim Brown, MIB Executive Director
