### Seminar Details

Bank executives and mid-level officers, both new and experienced, are encouraged to attend to stay abreast of the ever-changing business, economic, and regulatory environment. The workshop will be led by seasoned risk management and compliance field examiners and supervisors from the San Francisco Region.

The workshop will emphasize cybersecurity, technology innovations, and various lessons learned from the pandemic. The workshop will also include a local economic update presented by the FDIC's Division of Insurance and Research.
